### Profile

I am an enthusiastic, self-motivated, reliable, responsible and hard working person. I am a mature team worker and adaptable to all challenging situations. I am able to work well under pressure and adhere to strict deadlines.

### Internship

Bespoke system I vadodara

As Intern Web Developer

Tender management is a crucial aspect of procurement and project execution for both public and private sector organizations. The process involves issuing, receiving, evaluating, and awarding tenders, which often demands significant time and resources.

### Certified Course

Tops Technologies

Now, I am Training in Tops Technologies Ahmedabad as Java full-stack Developer.

### Traning Project

This project focuses on developing the Rudra Enterprise e-commerce platform. This platform will allow users to browse a curated selection of products, complete secure purchases, and manage their accounts efficiently.

Intuitive Interface : The platform will be designed for ease of use and accessibility on all devices (desktop, mobile, tablet in Website).

Efficient Product Search : Users can find the products they're looking for quickly with the help of filters, sorting options, and fast loading times.
